**BID AWARD: REQUEST FOR BIDS – Polypropylene Culvert Pipes**

The County Commission requested bids to select a single Bidder to provide the necessary quantity, quality, and dimensions of culverts and supplemental supplies, ongoing for 2024, as listed in the specifications. The Polypropylene Culvert Pipes specified for this project are chosen for their durability, corrosion resistance, and suitability for areas with ongoing water retention. If the company offers an alternative product that can provide comparable or superior performance, submit detailed specifications for your product and specify the price for your alternate product in the designated 2.4a ALT line. The request for bids was sent to a list of potential bidders on February 28, 2024, and it was posted on the Johnson County MO website ([www.jococourthouse.com](http://www.jococourthouse.com)). The request for bids was advertised in the Warrensburg Star Journal in the March 1, 2024, printed newspaper.

Questions and clarifications were to be submitted by Bidders before 1:30 p.m. (CST) on Tuesday, March 12, 2024. No questions were received and no clarifications were needed so no addendum was issued.

Bids for Polypropylene Culvert Pipes were opened at 1:30 p.m. (CST) on Monday, March 25, 2024, as advertised. Bids were taken under advisement. The following bids were received:

| COMPANY NAME       |                                |               |          | Viebrock Sales and Services LLC |             |       | Metal Culverts, Inc.     |             |  | Technology International |             |       |
