NOTES:

1. The Panasonic Hybrid-1P is the latest technology system by Panasonic. It is capable of adding VOIP capabilities if needed, and combines the solid reliability of a traditional phone system with newer VOIP technologies.
2. Cable is low voltage power limited, and will not be in conduit or raceway. If this is required additional charges will apply.
3. 110VAC power required at all equipment and power supply locations.
4. Quote includes removal of old equipment.
5. On-Site training and phone support.

Sealed bids will be accepted in the County Clerk's Office no later than 1:30 p.m., Thursday, February 25, 2010, at which time bids will be opened in the Commissioner's Office. The words "**PHONE SYSTEM**" must be clearly marked on the outside of the envelope containing said bid.

The County Commission reserves the right to reject any and/or all bids and may select the bid which they determine to be most advantageous.
