- [Eberly Electric, Knob Noster](#)
- [Empire Electric, Grain Valley](#)
- [Fox Electric, Warrensburg](#)
- [Shep's Construction, Warrensburg](#)
- [Shippy Electric, Centerview](#)

Is the Johnson County Courthouse Clock Tower Electrical project prevailing wage? [The Commissioners have not established an estimated budget for the Courthouse Clock Tower Electrical project.](#) Missouri's Prevailing Wage Law establishes a minimum wage rate for public works projects in Missouri valued over \$75,000. Examples of public works projects include bridges, roads and government buildings. The Prevailing Wage Law applies to all public works projects constructed by or on behalf of state and local public bodies. Additional information regarding prevailing wage may be found here: <https://labor.mo.gov/prevailing-wage>
