Proposition Forward - Shall the Board of Education of the Holden R-III School District, Missouri, without an estimated increase in the current debt service property tax levy, borrow money in the amount of Eight Million Dollars (\$8,000,000) for the purpose of providing funds to implement District-wide safety and security improvements; to complete energy efficiency upgrades to the heating, ventilation, and air conditioning (HVAC) systems and lighting; to repair and replace roofs; to patch and pave parking lots and bus drives; to construct a District storage facility; to improve technology infrastructure; to construct, update and/or improve the playground and athletic facilities; to the extent funds are available, complete other repairs and improvements to the existing facilities of the District; and issue general obligation bonds for the payment thereof? If this proposition is approved, the adjusted debt service levy of the School District is estimated to remain unchanged at \$0.9094 per one hundred dollars of assessed valuation of real and personal property.

Lucas A. Richards	0	0	0	0.00%
Total	1	0	1	100.00%
Question - Shall the Board of Education of the Lone Jack C-6 School District, Missouri, be authorized to increase the operating tax levy by \$0.2436 to \$3.4737 per one hundred dollars of assessed valuation in order to provide additional funds to attract and retain quality certified and support staff, maintain its facilities and meet the operating expenses of the District? If this proposition is approved, the adjusted operating tax levy of the school district is estimated to be \$3.4737 per one hundred dollars of assessed valuation and will be applied to the assessed valuation in the tax year 2022 and each year thereafter.				
The District intends to reduce the debt service levy by \$0.2436 per one hundred dollars of assessed valuation in order to offset the estimated \$0.2436 per one hundred dollars of assessed valuation increase to the operating tax levy and will result in no net increase to the total tax levy if this Proposition is approved by the voters.
