## Release Order

The project was completed and inspected by the County Road and Bridge Department Supervisor or designated representative on \_\_\_\_/\_\_\_\_/20\_\_\_\_. The project was re-inspected by the County Road and Bridge Department Supervisor or designated representative on \_\_\_\_/\_\_\_\_/20\_\_\_\_ (one year following the inspection that was conducted upon completion of the project).

The County Road and Bridge Department Supervisor or designated representative determines the project has been completed according to county specifications and done satisfactorily, and therefore submits this completed Right of Way Application to the County Commission with a recommendation for the deposited money or the surety bond to be released.  
Additional Notes:
